

Job Description

Apprentice Machinist

Precision Machinery is a privately held BC based company that has been serving the lumber manufacturing industry for over 12 years. If you are looking for a solid career with an industry leader, then join our team today! You must possess a clean driving abstract and valid passport.

Have you ever dreamed of working in a shop that is so clean you can literally eat off the floors?

Do you long for a workplace with literally every conceivable tool you could ever imagine?

What would you do with your time if you had a 4-day long weekend coinciding with every long weekend of the year?

How nice would it be to have the entire holiday season off without competing with your co-workers for the time?

Are you full of brilliant ideas to make your workplace better?

Do you have what it takes to succeed?

At Precision Machinery we encompass all of the above and so much more! And we want you!

We are currently hiring for the position of Apprentice Machinist at all levels, from entry right on up to 4th year.

If you are a top of the line employee looking for a top of the line employer with whom you can make a long term home then lets connect. Together we can make a difference in our industry, province, and the world!

Send us your cover letter, resume, and references today!
